

A History of Sacrifice

The goal of the Historical Sign Project is to install historical markers at or near the sites where a Seattle police officer or firefighter has been killed in the line of duty since 1881. These police officers and firefighters were ordinary people who chose to do an extraordinary job. At one time in their lives, each of them wrote a blank check payable to the Citizens of Seattle for an amount of up to and including their lives.

Please consider honoring these public servants and a History of Sacrifice. Tax deductible contributions can be sent to:
